14. INSTRUCTIONS TO REGISTRANT

Information on the reverse of this form should be updated as significant changes occur. The operation of a POV on a military installation is a privilege extended by the Installation Commander subject to compliance with appropriate State laws pertaining to financial responsibility, safety inspections and registration; to conditions established in paragraph 2-1, AR 190-5 and AR 190-5-1; and other appropriate regulations. Failure to comply with such laws and regulations may result in an administrative suspension or revocation of driving privileges or termination of installation registration. The registrant must remove the registration decal from the registered vehicle upon PCS, termination of employment, or sale of POV.
